

Dear Parents:

_____ has been asked to perform on the
upcoming Registered Music Teacher's Recital on _____
at _____ a.m. /p.m. at _____.

The Registered Music Teacher's regular general recitals usually last about an hour. If for some important reason you must leave before the end, or in the event of a cancellation, please inform your child's teacher so that he or she can advise the convenors of the recital. We feel that listening to performances by others is an important part of a student's musical education and we encourage parents and students to stay and listen to the whole recital.

We expect students to wear appropriate clothing to perform (no jeans or sweatpants), and to bow after performing to acknowledge the applause of the audience.

We feel that learning recital etiquette is an important part of a student's musical education, so during the recital we please ask audience members to help minimize distractions by refraining from the following:

- talking
- rustling programs and candy wrappers
- taking flash photographs during performances
- bringing pagers, beeping watches or cellular phones
- any unnecessary movement

Performers will follow the order of the program. Individual students will not be introduced, but cancellations will be announced.

We ask that those arriving late or leaving early, do so between performances rather than while a student is playing.

There is no charge for recitals, but donations will be gratefully accepted at the door, before and after the recital. The money collected will be used to cover the cost of renting the hall and printing the programs.

Thank you.

Yours sincerely,
