

NOVEMBER MEETING
November 6, 2006 at Note-able Music

Meeting called to order by Christine Rogers. Present were Christine Rogers, Joan Milton, Andrew Gierulski, Betty Jo Radley, Alma Davies, and Corrie Hausauer.

Approval of the October Minutes was proposed by Betty Jo and seconded by Corrie.

Corrie gave us the Treasurer's report: Chequing account is now \$641.07 and the Scholarship Account now has \$2,892.72. We will receive \$110 from AMEF for our Canada Music Week Recital. Corrie moved and Joan seconded to adopt the Treasurer's report as read.

Andrew gave us a report on the Family Concert Association – first Recital November 17 at the Southminster Church.

By-laws: Linda Loose reported that until the by-laws of ARMTA have been revised the Lethbridge branch is not able to do a revision.

AMEF Achievement awards will be presented at the recital Saturday November 25th at 2:30 at the Library.

Business License: Marilyn had a reply to her letter to the Allied Arts Council. They are aware of problems with the city licensing and will perhaps try to work around the concerns.

We have continued our U of L connections – Christine was able to obtain permission for RMT students to participate in a masterclass with Deanna Oye on October 28th at the University presented by the U of L Conservatory. Betty Jo had a student attend and was very pleased with the time allotted.

Fundraising: Practise-a-thon money and forms were due by November 6th to be eligible for awards. Christine reported that over \$1,000 had been received.

Adult get-together will be held at Lorrie Wittke's on November 18th at 1:30 p.m. (381-1350)
